

Site Management Agreement

Between the Institute of Fundraising
Compliance Directorate and Wakefield
Council

Purpose

The purpose and spirit of this voluntary Site Management Agreement (SMA) is to facilitate responsible face-to-face fundraising in Wakefield and provide a balance between the duty of charities and not-for-profit organisations to fundraise and the rights of the public to go about their business without the impression of undue inconvenience. For the avoidance of doubt, this document does not constitute a legal contract.

Once this agreement is in place it should minimise the administration for the council, providing just one channel for information and support regarding face-to-face fundraisers, as nominated 'gatekeepers' only have to deal with one organisation the Institute of Fundraising Compliance Directorate (IoFCD), instead of dealing with each individual charity and fundraising organisation separately.

Statement of Conformity

All fundraisers will abide at all times by the relevant elements the Fundraising Regulator's Code of Fundraising Practice and Rule Book, or face the appropriate penalties.

If local authority officers note fundraisers contravening the Fundraising Regulator's Rule Book or any local clause within the SMA, they will inform the Institute of Fundraising Compliance Directorate's Head of Standards by contacting them on 020 7401 8452, providing details of the incident.

1.2 Other Conditions

Fundraisers should be positioned in such a way as to offer an adequate 'comfort zone' to those users of the public highway who do not wish to engage. In furtherance of this, it is desirable that a minimum footway channel of 1 metre be maintained between fundraisers and the kerb / shop frontage where it is reasonable to do so.

Fundraisers should maintain a reasonable distance (of approximately 3 metres) apart from one another and any other legitimate street activities (e.g. street traders, Big Issue sellers, buskers, newspaper stands, promotional activities and market researching).

Should the nominated gatekeeper move on or responsibilities otherwise change, the gatekeeper will inform his/her successor of the detail of this agreement, the relationship with the IOFCD, arrangements for the regulation of face-to-face fundraising, and provide the IOFCD with contact details for the successor.

Complaint Management

IOFCD will respond to and seek to resolve all complaints received, and issue penalties according to its rules. The Council will provide real time notification of any complaints it wishes to be resolved immediately and provide sufficient detail for any retrospective complaints to be investigated. Where the collection agencies or the charities themselves receive complaints it is expected that they will provide information to the IOFCD including information about the identity of any individual collector who is subject of a complaint and of the action taken (if any).

Members of the public are encouraged to direct complaints about charity fundraising to the Fundraising Regulator.

Working Together

Wakefield Council agrees to work with the IOFCD to raise awareness regarding this site management scheme, including explaining what face-to-face fundraising is, the IOFCD, the Code of Fundraising Practice, and facts about Direct Debit.

The IOFCD monitors member organisations, through a programme of random spot-checks, responding to complaints, and other mechanisms, to ensure fundraisers' adherence to the Code of Fundraising Practice, Fundraising Regulator Rules, and Site Management Agreements. The IOFCD can give appropriate penalties or sanctions to those not abiding by the rules.

This SMA may be reviewed from 6 months after its implementation, as and when it is deemed necessary. All amendments will be agreed in writing before becoming effective. Either party can withdraw from this agreement, giving 3 months' notice in writing.

Depending on when this agreement is signed, in relation to the IOFCD's bidding/allocation cycle, there will be a lead-time of up to 8 weeks before the agreement can be fully implemented.

Appendix 2 - Direct Debit Guarantee

Know your rights - The Direct Debit Guarantee

Direct Debit is one of the safest ways of making charitable donations. Organisations using the Direct Debit Scheme go through a careful vetting process before they're authorised, and are closely monitored by the banking industry. The efficiency and security of the Scheme is monitored and protected by your own bank or building society.

The Direct Debit Scheme applies to all Direct Debits. It protects you in the rare event that anything goes wrong.
